

Always here for you

Anchor Care Homes Open for New Admissions

We understand you'll have many questions about finding your loved one a care home during this time. As ever, our friendly teams at our care homes are always happy to help and provide reassurance. Whilst the way we do things has changed slightly due to the Covid-19 pandemic, our quality care and the wellbeing of residents remains our priority.

Our commitment to you:

Regular whole home Covid-19 testing

Robust housekeeping and deep-cleaning with high-quality products

Plentiful stocks of appropriate PPE, which comply with government standards

Tailored settling-in plan for new residents

Not-for-profit with years of care experience and financially robust

England's most-compliant large residential care provider

Wide-range of activities to ensure resident wellbeing

Regular company-wide communications and updates

Regular technology-based contact with family and friends and pre-arranged socially distanced visits available

Virtual showrounds provided with the opportunity to "meet the team" by video call

Simply call us on **0800 731 2020** or visit **www.anchor.org.uk/care-homes** for further information on our care homes.

We're here for you and your loved one every step of the way.
